“ Education should be holistic and should create opportunities that facilitate one’s cognitive, physical, emotional, social, and spiritual growth.

A good system of education must instill self-esteem, life skills and creativity in students. It must help nurture a free, un-obsessed, anger free and relaxed mind. Such a well-rounded education system can also prevent fanaticism in young mind. “

- Gurudev Sri Sri Ravishankar Ji

“ If you are a student who wishes to excel, loves to innovate, thrives on creativity, revels in diversity and wants to walk out of campus with expertise in domain knowledge and life, Sri Sri University is place for you
